

It's time to return to the Biblical principles upon which our country was founded. As Abraham Lincoln said:

"It is the duty of nations, as well as of men, to own their dependence upon the overruling power of God and to recognize...that those nations only are blessed whose God is the Lord."

The gift of life is so very precious that the Lord commands us to defend that right when others are threatened.

"Rescue those unjustly sentenced to death. Hold back those staggering towards the slaughter." Proverbs 24:11

Now is the time to make some decisions about what we're going to do with our country. We must be prepared for what lies ahead. It's time to get on our knees and ask God what our commitment should be and what He's calling us to do. Lord, give us the strength and mercy to stand for Your Truth!

Saving the Innocent...

Southern California Operation Rescue is part of the national, grass roots organization, Operation Rescue, made up of people who see the urgent need for direct action to stop the tragic slaughter of children. More than 26 million pre-born babies have been killed since Roe vs. Wade in 1973. Our message is repentance before God for our inaction and apathy during the last seventeen years.

We work within the pro-life movement toward the goal of ending the abortion holocaust in America, through counseling, letter writing, legislative action, picketing, and peaceful direct action.

Recent Victories in Southern California...

Southern California Operation Rescue began in October, 1988, when local Catholic and Protestant clergy felt called to lead concerned laymen in direct action to stop the killing of pre-born children.

We conducted our first Rescue on February 11, 1989. Since that day we have held over thirteen major, regional and several "minuteman" Rescues. The murder of as many as several hundred babies have been prevented during these Rescues. Fifty-four of these children have been confirmed saved through follow-up counseling.

Changing History...

Your involvement at this time is needed! We are engaged in a long, fierce battle and God is looking for committed soldiers! Please continue to pray for the moms, preborn babies, pro-aborts, pro-lifers and for direction from God in this battle.

*Now is the
time to
RESCUE...*

"...the propitious smiles of heaven cannot be expected on a nation that disregards the eternal rules of order and right, which heaven itself has ordained."

George Washington

"...all men are created equal, that they are endowed by their Creator with certain unalienable rights, that among these are Life, Liberty and the pursuit of Happiness."

The Declaration of Independence

As Americans on this President's Day we can celebrate our nation's proud heritage which protects life.

Or can we?

On January 22, 1973, seven men formed a "right to privacy" within the Constitution and chose to extend that "right" only to women. Not men. Not parents. And certainly not pre-born children.

What have we done to our Nation?

Twenty-six million children are dead. Our nation cannot endure the torment of abortion much longer. The Lord is calling men and women to rise up to His call and ensure that the gift of life is not ripped away from His little ones.
