Saving The Innocent...

Southern California Operation Rescue is part of the national, grass-roots organization, Operation Rescue, made up of people who have decided to do something about the tragic slaughter of the Innocent of more than 26 million unborn children since *Roe vs. Wade* in 1973. Our message is repentance before God for our inaction and apathy during the last sixteen years.

We work within the pro-life movement toward the goal of ending the abortion holocaust in America, through counseling, letter writing, legislative action, picketing, and peaceful direct action.

Recent Victories in Southern California...

Southern California Operation Rescue began in October, 1988, when local Catholic and Protestant clergy felt called to lead concerned laymen in direct action to stop the killing of unborn children.

We conducted our first Rescue on February 11, 1989. Since that day we have held over twelve major, regional and several "minuteman" Rescues. The murder of as many as several hundred babies have been prevented during these Rescues. Forty-three of these children have been confirmed saved through follow-up counseling.

Changing History...

Your involvement at this time is needed! We are engaged in a long, fierce battle and God is looking for committed soldiers!

Please continue to pray for the moms, unborn babies, pro-aborts, pro-lifers and for direction from God in this battle.

Rescue of the Innocents

When our Lord came to earth as a man, he could have come at any age He wanted. He could have come as a newborn, or even as a thirty year old man. He chose to come as a pre-born child, at the moment of conception. This was part of His redemptive plan to fully identify with man made in the image of God, and to experience all things that we experience.

As the Author and Giver of life at the beginning of life, so the enemy of life responded by destroying the lives of young children. At the news of Jesus's birth, King Herod gave the order to destroy the babies in Bethlehem.

Today we are again faced with the horror of a government bent on destroying young children. Even as we prepare to celebrate the coming of the baby Jesus, other hands are preparing wicked instruments to brutally kill the least of His brethren.
