UTAH post-abortion *Healing*

This group is specifically for post-abortive women who are wanting to start healing, in the process of, or healed from their abortion. We believe that together we can lovingly support and help each other through this process.

WHO WE ARE

We are women who have found healing and have a passion to share it with others. We offer connection and support in your healing journey!

It's so important to come together as a sisterhood, feel united in grief, and shed the shame and guilt you have been carrying. This group can help you in that process. There is such hope and joy waiting for you!

ABOUT THE HEALING

We use the bible study "Surrendering the Secret: Healing the Heartbreak of Abortion".

This is a non-demoninational program that has helped over 35,000 women recover from abortion trauma. It follows a pattern similar to many post-traumatic stress recovery programs.

Join Us!

We will be there for you throughout your healing journey! Join our Facebook group and get to know our members before you come!
